Hi Bruce,

We are having an internal meeting on Friday to discuss each persons role that is going. Right now Pat Kuefler, Matt Gluckman, Steve Jann, and Chuck Mikalian, ORC are the people going from EPA. I will fill you in more after the meeting.

sincerely,

That's what I was looking for. Would it be possible to have the names of the Region 5 staff who will be presenting so that should questions come up later, our staff will know who made what presentation. I will do the same for IEPA and AGO presentations as well.

Matt Dunn and I would like to discuss the logistics of this seminar on a conference call next week. Please let me know when you might be available.

Hi Bruce,

The response I sent did have changes from your draft they are just subtle changes (sometimes only the time was changed, different organization). I am attaching the original agenda and then the modified agenda that I had sent several days ago, but this time I highlighted the changes we made.

Please review and let me know if you have any questions.

Sincerely,

Several days ago you sent me a copy of the agenda. That copy did not contain any changes from my original version so I was wondering if you inadvertently sent me the wrong copy. Could you re-send a copy of the agenda you would like us to use?
